

***UNICEF is Making an Impact on All the
Children on Earth with Protranslate***

Having a strong presence in 190 countries, UNICEF is the world's leading child rights advocate. The MENA Region is of critical importance for UNICEF operations as it has a population of approximately 450 million...

UNICEF prefers to collaborate with Protranslate to communicate with children and volunteers in their own language at its organizations in the MENA region countries.

About UNICEF

UNICEF's operations aim to ensure that children around the world who need support may access to education, health services, and social protection services and that they can lead a happy life. It monitors the current status of children's rights around the world and provides solutions for necessary steps to be taken in laws and other systems.

Unicef communicates with its local partners and target audience using the services of Protranslate.

Protranslate and UNICEF have been cooperating since 2019. Protranslate's dedicated team of translators has translated over 1 million words consisting of marketing material and documentation, mainly in Arabic, French, English, and Turkish since the first day of the collaboration with UNICEF.

Protranslate has created a dedicated team including experienced project managers for UNICEF who are experts in the field of localization. This exclusive team has 16 translators, 8 teams of quality management, and 4 experts in the field of project management.

The project team created for UNICEF, consisting of translators, quality control specialists, and project managers, benefited from Protranslate's terminology database of more than 65 million words throughout the process.

The Protranslate project team created a comprehensive terminology in compliance with the demands and expectations of UNICEF.

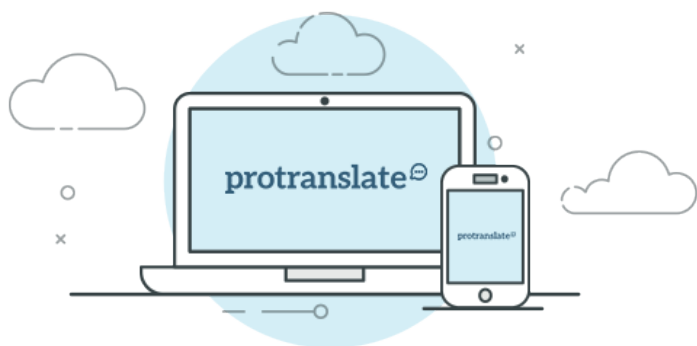

UNICEF has entrusted the localization process to Protranslate in order to be able to help those in need and provide services to people in their mother tongue in the relevant country where it operates.

About protranslate

Protranslate, the leading language services provider in the EMEA Region, has been providing high-quality translation and localization services in more than 120 languages to its partners around the globe since the day it was founded.
